

The Ladder Game

A game for two to three players.

Rules:

1. Shuffle the cards and divide them evenly between the players.
2. Take a card and place it on one step of the ladder. Once a card has been placed in position it may not be removed.
3. Your opponent then takes a card and places it on another step of the ladder. If it is higher, it must be on a higher step. If it is lower, it must be on a lower step.
4. When someone draws a card that they cannot place correctly on the ladder, it has to be discarded.
5. Play continues until every step on the ladder is full. The winner is the person who has discarded the least number of cards.

The Ladder Game - TU Cards, 0 - 99

5	13	46
34	49	25
18	89	76
56	63	92
