

Edible Crab 	Shore Crab 
Common Blenny 	Lobster 
Starfish 	Hermit Crab 
Prawn 	Limpet 

Branching Database

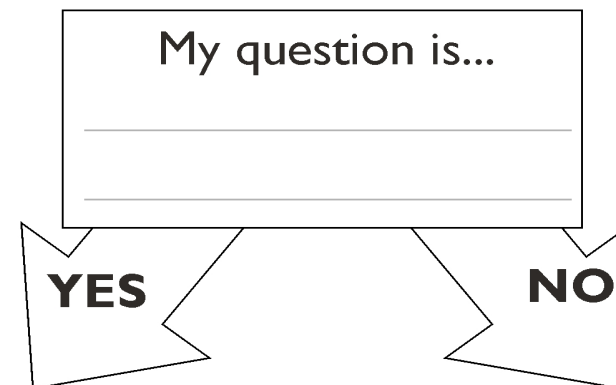

1. Cut out the questions and the creature cards.

2. Make up a series of yes and no questions to sort the creatures into groups.

3. Make up more questions to sort the groups into even smaller groups.

4. Keep going until you are left with individual creatures.
